In Loving Memory of Robert Davis

Robert Davis arrived on the Pikeville College campus in 1989 as the new campus minister and assistant professor of religion. He was young, enthusiastic, and full of ideas and plans. He quickly became a driving force on campus, fully committed to the college's special mission. He was an intellectual, a philosopher, a musician, and a theologian with a passion for teaching and scholarship. His devotion to his students and guiding them in their pursuit of the liberal arts was relentless.

He was involved with several campus activities and organizations, including Phi Eta Sigma, FCA, and the yearbook staff. He actively promoted "culture" with a capital "C" on this campus. He played his heart out in the Pep Band and pounded on the timpanis in the Symphonic Band. He attended Chautauqua performances and organized trips to the Barter Theatre. He supported all things international with a fervor. There simply was no limit to Bob's involvement at Pikeville College.

Proof of his unwavering commitment to this college and his students was visible during the fulfillment of his final official Pikeville College duties, Commencement 2004. Bob braved the heat and stood in line, waiting outside the gym, aided by a cane – all to fulfill his professional duties and to honor the students at the end of their four years at Pikeville College. It was all about the students for Bob.

Bob is part of Humanities at Pikeville College, the discipline as well as the Division, and the many faculty, staff, and students he left behind are charged to carry on with his passionate promotion of the liberal arts. The pursuit is more difficult without him, but it is the least we can do for our colleague, mentor, and friend.

Top: Robert Davis is pictured with part of his large personal library. Middle: Robert Davis relaxes with the humanities and business and social sciences divisions at the end of the fall 2003 semester. Above Left: Robert Davis shares a moving message during chapel. Above Right: Robert Davis belts out his sax solo.

— With sincere thanks to Dr. Brigitte LaPresto for permission to adapt her message from Robert Davis' campus memorial service.

A postcard from a PC Bear and US soldier

The following is an e-mail sent to President Hal Smith from Keith Morley, a Pikeville College student stationed in Iraq with the 150th Armor Battalion of the West Virginia National Guard.

Saturday, April 3, 2004
2:12 a.m.

President Smith,

Thank you for your letter. It has been one of the best things I have gotten since I arrived in Iraq. I appreciate it and everything that you and the college have done for me. For the past 4+ years, Pikeville College has been my home. I have made lifelong friends and have met people who have contributed to my life, emotionally, as well as educationally.

I want you and the rest of the PC staff and faculty know that I really do appreciate and thank you all from the bottom of my heart for all that has been done for me.

I also want to personally thank the bowling team for all they have done also. They were there for me when not many other people were. If you wouldn't mind, would you thank them for me, and tell them I said good luck at the Nationals (girls) and to win it for me. (laugh out loud) Tell them I said to give 'em heck and do their best.

Once again, Thanks for everything!

Tell all my BIO major teachers that I will be back ready to finish up my degree and become an alumni of PIKEVILLE COLLEGE.... GO BEARS!!!!

Sincerely,
Keith Morley

SPC WARREN MORLEY
2nd PLT A Co 1/150 AR

Also, let everyone know that the more letters I get the better. I love hearing how things at PC are going...

I will email you some pictures of things over here if you would like? Just let me know. (Camels and stuff like that.) (LAUGH OUT LOUD)

I do have someone sending me a PC FLAG and as soon as I get it. I will take a pic with my digital camera and send it to you.

I was, am, and will always be a PC Bear!!

A Special Thanks and Farewell from the Editor

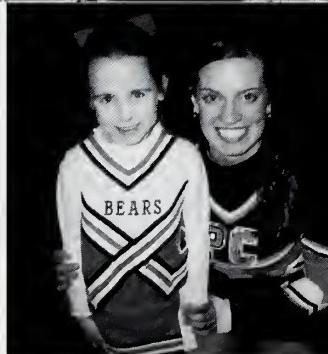

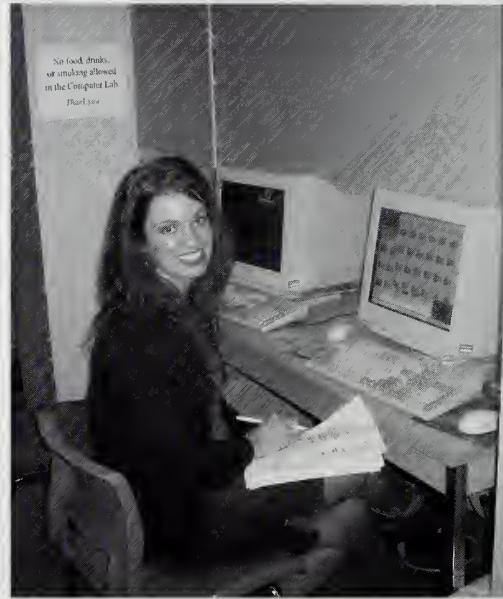

It is hard to believe that after five months of hard work that I am finally on the last page of the 2003-2004 yearbook. Looking back on from my freshman year at Pikeville College until now, as an alumna and a part-time staff member, my experiences have made me a wiser and stronger person as I have traveled down a "Purpose Road."

Being an alumna, the pages and pictures began to take on a new meaning to me. I have reflected back on the memorable times with friends and the special organizations, clubs, and activities that I was a part of at Pikeville College.

Being part-time staff, I was privileged to obtain this job that has brought much joy and a sense of achievement in a familiar setting with familiar professors and friends. From the first day of working with Adobe PageMaker to these final pages, it has been quite a learning experience.

When looking back, I couldn't have done it without the help of several patient and understanding people. I would like to especially thank Stephanie Stiltner for all her work in collecting pictures and names. I would also like to thank Chandra Massner for helping, supervising, revising, and giving me advice. Thanks to IT for all their technical assistance. A special "Gracias" to Pikeville College for believing in me and supporting me to get the job done. Again with much thanksgiving, I say farewell.
